

Providing the hoof with a protective barrier from a wet or dry environment, R.A.T.E Hoof Balance keeps the internal, systemic moisture in the hoof wall and the external moisture out. It leaves the hoof with its natural balance keeping it strong and tough. Providing a protective barrier from foreign material, this 100% All-Natural solution is easy to apply, scent-free and safe for you and your horse.

## Balance is Foundation

- Provides High Quality Show Sheen
- R.A.T.E Hoof Balance Provides Immediate Protection
- Conditions Hoof to Remain Strong and Pliable
- Use on All Hoof Types

R.A.T.E Hoof Packing's Pure-Fit Formula soothes the hoof with natural medicines maintaining a strong, pliable, and overall healthy hoof. It is a leather-based hoof pack that delivers comfort and performance throughout all applications. R.A.T.E Hoof Packing treats abscesses and sole bruising along with fighting thrush and other common hoof problems. **Provide comfort for the horse the economic, natural way!**

## The Natural Step in Hoof Care

- Supports and Cushions the Hoof and Leg
- Leather to Hoof = PROTEIN to PROTEIN
- Clean and Easy to Use
- Will Not Dry Out

R.A.T.E Hoof Packing Plus is ideal for those who want to find the hoof packing where they set it. With additional natural rubber proteins mixed into our Original formula, we've achieved a dense, self-sealing hoof pack that unites with the hoof and not your hands.

## Unites with the Hoof, Not Your Hands

- Natural Medicants Promote Strong and Healthy Hoof
- Pure Rubber Elastic Cushioning for Abscesses and Bruising
- Will Not Absorb Moisture
- Pliable & Forgiving
- 100% All-Natural
